

MISSION:

Generations Aging With Pride empowers older LGBTQ adults to live with pride and dignity by providing innovative programs and services that enhance belonging and community, eliminate discrimination, and honor the lives of older members of our community.

VISION:

We seek a future where older LGBTQ adults feel a sense of belonging and are able to successfully and gracefully live.

GOAL: Decrease social isolation and create supportive environments for older LGBTQ adults.

- Provide Safe Spaces
- Increase effectiveness of LGBTQ elder services providers
- Engage LGBTQ elders themselves to participate in creating solutions

GOAL: Lead and support the movement to advance LGBTQ older adults issues

- Coordinate with Similar Organizations
- Share research and disseminate results of own programs; aggregate information across organizations / programs
- Formulate, promote and advocate for needed policy changes
- Raise stakeholder and general

GOAL: Understand the communities we serve and the systems of support that surround them.

- Survey and research LGBTQ older adults to assess needs; do sub-group analyses
- Landscape / analyze services provider networks & funding stream

GOAL: GAP is an innovative, effective and sustainable organization

- GAP has a positive reputation in the communities we work and serve
- GAP is a fiscally sound and
- GAP is fully staffed to run programs
- GAP has an effective Board
- GAP has the organizational and programmatic facilities it needs to
